

North Hastings High School TEACHER REFERENCE FORM

Northern Environmental Research and Development Studies Program (NERDS)

The NERDS program provides students with skills and knowledge related to careers involving outdoor research and field work. The program is delivered in partnership with local organizations and individuals and is focused on project-based tasks that give students the opportunity to utilize this knowledge and practice these skills. There is a heavy reliance on self-motivation, independent learning, teamwork, and leadership skills.

Student Name: _____ **Grade:** _____

Teacher Name: _____

This student has applied for the NERDS program. Your assessment and comments will assist us in determining the student's readiness for this program. Please complete this reference and return it to Mr. Burbidge or Mrs. Drew-Baehre at your earliest convenience. This student's application will be processed when all teacher reference forms have been received.
